The Spirit and image of a Golf Club is projected by the way fellow members show respect, courtesy and consideration for one another.

## **CONDITIONS OF PLAY**

1. The Match Committee is in charge of all play on the course and reserves the right to alter the programme or method of play at any time.
2. All play is governed by the Rules of Golf, the Club's By-laws and Local Rules.
3. A protest or dispute in connection with any competition or match shall be made, preferably in writing to the Match Committee immediately upon completion of play in such competition or match. Decisions by the Match Committee will be Final.
4. A member may invite a guest to participate in the Club Competition in his company at the appropriate fee.
5. Payment of fees deems acceptance of the conditions of play.

## **LOCAL RULES**

Local rules are to be read in conjunction with the Rules of Golf.

Before commencing play, competitors should check the competition notice board for details of local rules that may be temporarily in place. Local Rules are displayed on the board at the Clubhouse.

Out of bounds is defined by all boundary fences and where there is no fence white stakes with a black top define out of bounds.

### **COURSE RULES**

1. Sand buckets are provided, and players are requested to use same at all times to help maintain fairways in good order.
2. Help keep the course tidy. Receptacles are provided. Please use them.
3. Preserve tees. Do not have unnecessary practise swings.
4. Do not practice from tees or fairways or onto a green. The practice green and practice fairway are located adjacent to the Clubhouse.

### **ETIQUETTE OF THE GAME OF GOLF**

1. When the result of a hole has been determined, players should immediately leave the putting green.
2. No one should stand close to or directly behind the ball, move or talk when a player is making a stroke. On the putting green, no one should stand beyond the hole on the line of a player's stroke.
3. No player should play from the tee until those in the group in front have played their second shots and are out of range, nor play up to the putting green until the group in front has holed out and moved away (unless called up).
4. In the interest of all, players should PLAY WITHOUT UNDUE DELAY. Walk briskly between shots, keep up with the players in front. Players who have the honour should have their tee shot before making cards and remember, your slowness is extremely irritating to those players behind you.
5. Players searching for a ball should allow other players coming up to pass them; they should signal to the players following to pass and should not continue their play until those players have passed out of range.
6. Before leaving a bunker, players should carefully rake the area of the bunker used and the rake should be placed in the bunker.
7. Through the green; Players should ensure that any turf cut or displaced by them is replaced at once and covered with sand. Any damage to the putting green made by the ball or player is to be carefully repaired.
8. Players should ensure that, when dropping their bag or the flag-stick, no damage is done to the green and that neither they nor their caddies damage the hole by standing close to the hole or in handling the flag-stick, nor stick the flag-stick in the greens. The flag-stick should be properly replaced in the hole before the players leave the putting green.

9. **LOSS OF POSITION:** If a match fails to keep its place on the course and loses more than one clear hole on those players in front, it should invite the match following to pass.

## **HANDICAP IN USE FOR VARIOUS EVENTS**

**It is the players' responsibility to ensure that their correct handicap is marked on the card, and the card is checked and signed before handing the card in at the end of play.**

### **EAGLE TROPHY**

The club awards a trophy of one ball for each eagle scored on all competition days.

## **SPECIFIC COMPETITIONS**

### **POHLMAN MATCHPLAY - MEN:**

The Captain will calculate the aggregate of each members' **best 8 single stroke (nett) results** from the previous playing season (1<sup>st</sup> February to 31<sup>st</sup> January) from Weekend events at the Gin Gin Course. The best 8 results are seeded to play handicap match play. Handicaps shall be as at 1st February and do not change during the event. In the event of a squared match, the players will play sudden death, except in the final where they will play a further 18 holes. If the match still remains square, they then play sudden death. All matches to be played on or before the date set down.

### **PATRONS TROPHY: MEN AND LADIES**

This event is conducted over 6 rounds (2 Stroke, 2 Stableford, and 2 Bogey) with 4 rounds to count. Rounds are conducted from March to September.

The winning score on each day will score 10 points with a diminishing points table for each stroke difference. ie.

Winning Score	10 pts	66 nett	41 pts	+4
	9 pts	67	40	+3
	6 pts	70	37	Sq

In the event of a tie, the worst points score shall be dropped until a winner is determined.

The event is sponsored by Patron Bill Campbell

## **COMBINED CHAMPIONSHIPS**

Played as a team format over 4 different team's events. The team must consist of the same pairing for each of the four rounds (American Foursomes, 4B Aggregate Stroke, Foursomes and Ambrose)

The aggregate net score from each event is totalled and the team with the lowest aggregate net will be the Championship winners

**HANDICAP MATCHPLAY:**

A Nomination Form will be placed on the Noticeboard at least one (1) month before the first date for play to commence. The draw will be a random allocation and the handicaps used will always be the player AGU handicap on the day of the match. In the event of a squared match, the players will play sudden death. If there are more than 16 nominations the first knockout matches will be a round of 32 with a one-month deadline in which the players can arrange to play the match at any time. The final date for completion will be on the Monthly Medal Day (1<sup>st</sup> Saturday of the month). The draw will be published on the Friday 12<sup>th</sup> April and the first-round matches will need to be completed by the 11<sup>th</sup> May (extenuating circumstances notwithstanding). If there are over 16 nominations, there will be 5 rounds and the Final will be played on September 14<sup>th</sup>. Any date changes are at the discretion of the Club Captain and Match Committee.

**ECLECTIC AND PUTTING AVERAGE**

These events are conducted on Monthly Medal Days.

**ORDER OF MERIT**

Points will be awarded on Single event days

5 for Win, 3 for Runner Up. 1 Point will be awarded for all participants.
